

*Outstanding Alumni: Jeffrey Urlaub, Carol Weber Carlson, Thomas Fortin, David Hahn, Ronald Schlagheck, Paul Albritton, Robert Johnson*

## 2014 Outstanding Alumni Awards

### **Brig. Gen. James Paul Albritton**

*BS in Mechanical Engineering, 1952*  
 USAF pilot with 3,800 hours of flying time including 183 combat missions in Vietnam. Awarded Legion of Merit and Distinguished Flying Cross and received USAF-Europe *Order of the Sword*. 28-year USAF career.

### **Dr. Carol Weber Carlson, Ph.D.**

*BS in Mechanical Engineering, 1983*  
 President of August-Gram Consulting, NASA and Lockheed-Martin, and Gates Corporation. Space Shuttle Return to Flight program, NASA Silver Snoopy Award and South Metro CoC 2010 Women in Leadership *Inspirational Leader Award*.

### **Dr. Thomas Fortin, Ph.D.**

*BS in Mechanical Engineering w/Honors, 1984*  
*MS Mechanical Engineering (1988)*  
 Chief Engineer, X-51A program, Test engineer with Pratt & Whitney, F-22 & F-35 propulsion systems. Air Force Association's *John Alison Award*.

### **Robert K. Johnson**

*BS in Mechanical Engineering (1965)*  
 Founder and CEO of Island Packet Yachts, 35 years of boat building experience. Board member of *Sail America*, 7-time Cruising World *Boat of the Year* winner, SAIL magazine 1999 *Industry Award for Leadership*. Over 2,200 yachts built to date.

### **Ronald A. Schlagheck**

*BS Aerospace Engineering (1967)*  
*MS Aerospace Engineering (1969)*  
 37-year NASA engineering career, directed Mir Space Station Phys. Sci. Microgravity Integration, NASA *Exceptional Service Medal* and *Snoopy Award* winner, AIAA congressional advocate.

### **Jeffrey Urlaub**

*BS in Mechanical Engineering (1998)*  
 President & Founder of MEP Associates, recognized leaders in renewable & sustainable energy design, Top 100 Engineering Firms, 2008 ASHE *VISTA Award*, CVTC *Outstanding Alumnus*.
